CLASSIC BODY MASSAGE

Classic massage stimulates blood and lymph circulation, improves both nutritional conditioning and the metabolism in the connective tissue and musculature. As a result, joints and nerves are relaxed and tension released. This leads to a general sense of well-being which is intensified by the use of aromatic oils.

Partial body	25 min.	CHF 65.00
Full body	50 min.	CHF 120.00

HOT STONE MASSAGE

Practiced widely by the Aztecs and other Indian tribes, this well-known form of massage with basalt stones activates the metabolism, blood circulation and energy flow, encouraging deep muscular and mental relaxation. The smooth stones are heated and soaked with aromatic oils. The therapist slides the stones in slow but intensive movements over the body and then positions them over the central energy points on the back.

Back – shoulders – neck	30 min.	CHF 75.00
Full Body	75 min.	CHF 185.00

COLD STONE MASSAGE

When it is hot outside or you are stressed, the cold stone massage revitalizes your mind and soothes your skin with the help of lavender oil. The stones are previously cooled down in ice water up to -10°C. Especially when your skin is sun irritated or you suffer of sunburn, the cold stone massage has cooling effects. The lavender oil soothes your skin.

Back – shoulders – neck	30 min.	CHF 75.00
Full body	75 min.	CHF 185.00

SPORT MASSAGE

Sport massage regenerates and mobilizes the entire musculoskeletal system, loosens tense muscles and joints and is effective for prevention as well as for sport injuries.

Partial body	25 min.	CHF 65.00
Full body	50 min.	CHF 120.00

EAR CANDLE TREATMENT

The ear candle treatment comes from an Indian relaxation therapy and has a soothing and calming effect on the entire organism. By using it the self-cleaning of the inner ear is stimulated. The therapy has an effect when you suffer of tinnitus or migraine. In addition, the treatment is supported by a gentle drainage on the entire head.

Basic lymph drainage & ear candle treatment	35 min.	CHF 80.00
---	---------	-----------

LYMPH DRAINAGE

Relaxing and rhythmic strokes cause the lymph to start flowing, thus purifying the tissue and providing better nutrition to the cells. Lymph drainage dehydrates, purifies and decreases water retention.

Lymph drainage	50 min.	CHF 120.00
----------------	---------	------------

HEAD AND NECK MASSAGE

First aid for headache and malaise. Experience, how this classic head and neck massage decreases the feeling of tension in your head and clears your mind.

Head and neck massage	25 min.	CHF 65.00
-----------------------	---------	-----------

FOOT REFELXOLOGY MASSAGE

In India and China the treatment of sufferings with the help of pressure to reflex points on the feet has been known for 5,000 years. This form of therapy works holistically on the entire organism. Chronic and acute disorders of the musculoskeletal system, disorders in the respiratory and digestive tract and the central nervous system can be favorably influenced by the massage.

Foot reflexology massage	45 min.	CHF 100.00
--------------------------	---------	------------

DORN THERAPY

With slight pressure joints, pelvis and spine are brought to their physiological location. All this without manipulative influence or with force on the body. The therapist corrects malposition and blockages of one or more vertebrae and joints, which often cause irritation to nerve fibers and therefore cause pain, dysfunction and tissue changes.

Dorn therapy	50 min.	CHF 135.00

BODY SCRUB

A gentle body scrub ensures silky, soft skin. Our body scrubs combined with a soothing massage activate cell renewal and microcirculation. Choose between the three flavors **coconut** (summery, refreshing), **lavender** (calming, anti-inflammatory) or **eucalyptus** (cooling, improves circulation).

Body scrub	30 min.	CHF 65.00
	75 min.	CHF 175.00
